## 五項「正確的」給藥需知

The infographic is set against a green background with a white grid. It features five items, each with a blue checkmark in a white box to its right:

- 正確的藥品** (Correct Medication): Accompanied by an illustration of a red medicine bottle and a yellow pill container.
- 正確的兒童** (Correct Child): Accompanied by two silhouette photos of children, one blue and one red.
- 正確的劑量** (Correct Dose): Accompanied by an illustration of a yellow pill container, a blue syringe, and a yellow spoon with red liquid.
- 正確的時間** (Correct Time): Accompanied by an illustration of a calendar and a red clock face.
- 正確的用法** (Correct Use): Accompanied by an illustration of several yellow pills.
